Re: **AIDS, COVID-19, Cancers & Other Man Made Diseases**

To All Concerned At The NAACP,

The NAACP failed Black Americans and over 100 Million Black People in Africa, when it did not act after receiving a copy of, **“This Is A Bio-Attack Alert”**, by Dr. Robert B. Strecker, a Medical Doctor with a PhD in Pharmacology who said, “There Is No Proof Any Vaccines Cure Anything”.

UMOJA Research mailed the NAACP a copy of that Historic Document which was presented to NSA, FBI, CIA, Congress, Senate, the Governors of Every State, Vice-President and President of the United States, dated March 28, 1986, signed by Attorney Theodore A. Strecker, in addition to interviews and video tapes as proof.

The relevance of that document stands today with COVID-19, as the document and its references clearly indicated, AIDS, Cancers and other Diseases were being spread through Vaccinations Programs. As the National Institute Of Health (NIH) was implemented, you should be reminded, Dr Fauci was the supposed AIDS Expert for the NIH and after more than 30 years, they are still trying to create AIDS Vaccines.

As the NAACP seeks favors from the newly elected Joe Biden, the real questions is, **“When Will The NAACP Wake Up”** and at least have qualified doctors and scientists review the Truth about Man-Made Diseases and Test Programs used to spread diseases? Doctors and Scientists’, who have no Vested Interests in Drug Companies, should be the only individuals verifying the Facts in the Historic Document, “This Is A Bio-Attack Alert.

Dr. William F Koch gave the Cause and Cure of Cancer as early as 1918. As long as the False Science is allowed to control Hospitals, Doctors and supposed Medical Support Centers, there will never be any Cures, because of the Billions of Tax Dollars they would lose. (After over 30 years of research, its obvious, Money before Life.)

Without Prejudice,

John Burns, UMOJA Research, Private Health Research From 1986-2018
